## **Suit and Shoe Sizes**

**Please use this chart as an aid to selecting your correct size. It is a guide and can only be used for indication purposes. However, we hope you will find it useful.**

**All our suits are sized by height. They are a generous cut and are meant to be baggy. The trousers are cuffed or elasticated so will fit any length leg.**

**The shoes are sized by length only. There are no width fittings so if you have very wide feet you may choose to select a larger size to ensure a comfortable fit.**
